PERSONAL INFORMATION

- Gender: Male
- Nationality: Egyptian
- Languages: English & Arabic

OBJECTIVE

A highly motivated medical student with **four years of diverse research experience** in clinical and surgical specialties resulting in more than **40 international peer-reviewed publications and 2 international book chapters**. The **early leadership position** of an international cohort study, since the 2nd year in the medical school, paved the way to **establish strong research networks** in and outside Egypt. In addition, the good presentation and communication skills allowed to transfer research knowledge and skills through a series of 30 successful workshops around Egypt, **teaching more than 750 researchers and faculty members** about research basics within the period 2014-2018.

EDUCATION

2012 - **MBBCh (Bachelor of Medicine, Bachelor of Surgery)**

2018 Faculty of Medicine, Zagazig University, Zagazig, El-Sharkia, Egypt

(Expected) *Cumulative GPA: 3.5 (very good)*

Subjects:

- **Basic Medical Sciences** [3 years]

Human Anatomy; Medical Physiology; Medical Biochemistry and Molecular Biology; Medical Histology; Behavioral Sciences; Medical Pathology; Medical Microbiology and Immunology; Medical Parasitology; Medical Pharmacology.

- **Clinical Medicine** [3 years]

Community Medicine and Public Health; Forensic Medicine and Toxicology; Otolaryngology (ENT); Ophthalmology; Pediatrics (General rotation and elective rotations in nutrition, neonatology, pediatric nephrology, pediatric hematology, pediatric cardiology, and pediatric pulmonology); Obstetrics and Gynecology; Internal Medicine (General rotation and elective rotations in Rheumatology, Psychiatry, Pulmonology, Cardiology, Dermatology, Andrology, Intensive Care, Neurology and Tropical Medicine); Surgery (General Surgery rotation in addition to elective rotations in Cardiothoracic Surgery, Pediatric Surgery, Vascular Surgery, Emergency Surgery, Diagnostic Radiology, Plastic Surgery, Neurosurgery, Anesthesiology, Urological surgery and Orthopedic surgery).

2009 - **High School (Majors: Science & Biology)**

2012 Kanayat Secondary School (Governmental School), El-Sharkia, Egypt

Score: 99.25% – First rank on the governmental zone

CLINICAL EXPERIENCE

Dec 2017 **Observership Rotation in Neurosurgery (Duration: 4 weeks)**

LKH Universitätsklinikum, Medical University of Graz, Graz, Austria

Supervisor: Univ-Prof.Dr.Michael Mokry, Head of the Neurosurgery Department

RESEARCH EXPERIENCE

A. Volunteer Research Positions (unpaid)

- Jan 2015 - April 2016 **Board Member & Head of the Scientific Committee – EMRA Collaborative**
EMRA (Egyptian Medical Research Association) is a national medical research collaborative that was launched in January 2015 at the Egyptian Medical Syndicate to: (1) build the research capacity of medical students and Egyptian physicians, and (2) deliver multicenter studies across Egypt. *Supervisor: Prof. Dr. Amal Hashish, MD, PhD: Professor of General Surgery at Faculty of Medicine, Tanta University, Egypt.*
Facebook: www.facebook.com/EMRA.collaborative; **Website:** www.emra-collaborative.org
- Jan 2015 - April 2016 **Head of Scientific Committee & Scientific Research Advisor** of the SRU-ZU
SRU-ZU is the Student Research Unit of Zagazig University (Egypt), a subsidiary unit from the TICO (Technology Innovation and Commercialization Office), the activities of the unit includes teaching students about scientific research skills, organizing research courses and workshops, and developing scientific research projects. *Supervisor: Prof. Mohamed Sitohy, PhD*
- July 2014 till now **Founder, Chairman, and Senior researcher – MRGE national research team**
MRGE (Medical Research Group of Egypt) is a national Student Research Group that was established in July 2014. MRGE team consists of more than 400 student researchers, physicians, and faculty professor representing all Egyptian universities. The team build the medical research capacity in Egypt and lunch many clinical research studies with the help of students and seniors.
Facebook: www.facebook.com/MRGEgypt; **Website:** www.mrg-egypt.org
- Feb 2014 Oct 2016 **National Clinical Research Coordinator of GlobalSurg-1 international cohort study**
GlobalSurg Collaborative is an international research collaborative affiliated to the Surg Foundation (a UK registered research charity; Reg number: 1159898) and part from the National Institute of Health Research (NIHR) Global Health Unit on Global Surgery. The first international cohort study (GlobalSurg-1) was launched in February 2014 within 357 hospitals in 58 countries all over the world. As a national research coordinator of GlobalSurg-1, my responsibilities included: study dissemination to Egyptian universities, recruiting collaborators for data collection, explaining the study protocol, obtaining the necessary ethical approvals and patient consents, coordinating the data collection process in 27 hospitals in Egypt. Egypt was the 3rd highest contributing country to the data pool of the study (1000 patients out of 10,000 patients worldwide).
Facebook: www.facebook.com/GlobalSurg ; **Website:** <http://globalsurg.org>

B. Consultative and Temporary Research Services (paid)

- | | |
|---------------------|---|
| Organization | DataClin Contract Research Organization, Cairo, Egypt |
| Service | Revising 15 clinical study protocols (grant submissions) |
| Since | June 2017 - ongoing |
| Organization | Clinart MENA Contract Research Organization, Dubai Healthcare City, UAE |
| Service | Developing study protocols, Sample size calculation, and Medical statistics (Data analysis) |
| Since | May 2017 - ongoing |
| Organization | Mendel.ai Health Company, San Francisco, CA, USA |
| Service | Consultations regarding data collection and data analysis |
| Since | October 2016 (one month) |

Organization	Magrabi foundation for community eye health, at Magrabi eye hospital, Cairo, Egypt
Service	Clinical Research Course
Since	March 2016 - ongoing
Organization	Epidemiology Department, Egyptian Liver Research Institute and Hospital, Mansoura, Egypt
Service	Critical revision of manuscripts before submission & I gave a medical statistics workshop
Since	September 2015 (two months)

GRANTS & AWARDS

2017	MDS Travel Grant Award 21st International Congress of Parkinson's Disease and Movement Disorders
2017	EAN Young Investigators Award 3rd congress of the European Academy of Neurology
2017	Prof. Yasuo Tano Travel Grant 32nd Congress of the Asian Pacific Academy of Ophthalmology
2016	Travel Grant 4th World Parkinson's Congress
2016	Young Investigator Award EASL - International Liver Congress

PROFESSIONAL MEMBERSHIP

- Member, American College of Physicians (ACP)
- Member, American Academy of Neurology (AAN)
- Member, European Association for the Study of Liver (EASL)
- Member, International Federation of Medical Students (IFMSA)
- Member, International Parkinson and Movement Disorder Society (MDS)

EDITORIAL EXPERIENCE

Editor in Chief

- Egyptian Medical Research Journal (EMRJ) – under establishment

Section Editor

- Advanced Journal of Emergency Medicine

Editorial Board Member

- EC Pharmacology
- Journal of Medical Physiology
- Journal of Medical Diagnostic Methods

Peer-Reviewer

- Scientific reports
- Journal of Neuroscience
- European Medical Journals
- Clinical Interventions in Aging
- Neuropsychiatric Disease and Treatment
- Journal of Neurology, Neurosurgery, and Psychiatry

ONGOING PROJECTS

- i. Assessing and Promoting knowledge and skills of Evidence Based Medicine and Clinical Research Among Egyptian Physicians and Medical Students – A National Multi-step Project; Eligible for STDF funding, Pending Approval of the Research Support Grant (77,000 L.E) Project ID: 25713
Role: *Principal Investigator*
- ii. Determining Clinical Profile of Parkinson's Disease Among Egyptian Population;
Clinicaltrials.gov/NCT02785510 – Nationwide cross-sectional evaluation
Role: *Principal Investigator*
- iii. Determining the Sustained Virologic Response of Daclatasvir in Egyptian Patients with Hepatitis C Virus Genotype 4; Clinicaltrials.gov/NCT02772744
Role: *Co-PI*

INVITED WORKSHOPS AND COURSES

April 2018	WORKSHOP: How to Calculate Sample Size for a Clinical Research Study At Medical Education Development Center (MEDC), Cairo University Accredited by Kasr Alainy School of Medicine, Cairo University, Egypt	8 hours
March 2018	WORKSHOP: How to Write and Publish a Biomedical Research Paper At the Faculty of Nursing, Menoufia University, Egypt	4 hours
May 2017	WORKSHOP: Clinical Research Designs Faculty of Medicine, Assiut University	4 hours
Feb 2017	COURSE: Clinical Research Basics Faculty of Dentistry, Al-Azhar University of Cairo, Egypt	30 hours
Sept 2016	COURSE: Clinical Research Designs School of Global Affairs and Public Policy, American University of Cairo Provided for physicians and ophthalmologists as a collaboration between the American University of Cairo and Magrabi foundation for community eye health.	4 hours
March 2016	WORKSHOP: Systematic Reviews and Meta-analysis of Clinical Trials Faculty of Medicine, Suez Canal University, Egypt	15 hours
Sept 2015	COURSE: Clinical Research Basics Faculty of Medicine, Benha University, Egypt	30 hours

SCIENTIFIC PUBLICATIONS

A. Books

- Ahmed Negida (2018): **Negida's Handbook of Medical Research**, 1st Edition.
Amazon Kindle's Publishing Program; Online E-book. (*not published – in progress*)
Part 1: Chapters From 1 to 14: Clinical Research Methodology
Part 2: Chapters from 15 to 30: Biostatistics in Clinical Research
Part 3: Chapters from 31 to 37: Scientific Writing and Academic Publishing
Part 4: Chapters from 38 to 43: Softwares in Clinical Research

B. International Book Chapters

- **Ahmed Negida**, Ahmed Elgebaly, Daniel Jackson and Mohamed A. Imam; **Chapter 3: Ethics in the Clinical Use and Research of Stem Cells and BMAC**; Editors: Mohamed A. Imam and Martyn Snow (2018) Book name: Bone Marrow Aspirate Concentrate uses in Orthopaedics; DOI: 10.2174/1160101; 1st ed. Bentham Science Publisher.
- **Ahmed S. Negida**, Salma Y. Fala, Mohamed A. Imam and Bassem T. Elhassan; **Chapter 4: How to Design Clinical Trials of Stem Cells and BMAC in Orthopedic Surgery**; Editors: Mohamed A. Imam and Martyn Snow (2018) Book name: Bone Marrow Aspirate Concentrate uses in Orthopaedics; DOI: 10.2174/1160101; 1st ed. Bentham Science Publisher.

C. Journal Articles

Notes

1. GlobalSurg Collaborative. Laparoscopy in management of appendicitis in high-, middle-, and low-income countries: a multicenter, prospective, cohort study. Surg Endosc. April 2018. doi:10.1007/s00464-018-6064-9 # Impact Factor: 3.7
Collaborator; National Research coordinator
2. **Ahmed Negida**, Mohamed Elminawy, Gehad El Ashal, Ahmed Essam, Athar Eysa, Mohamed Abd Elalem Aziz: **Subthalamic and Pallidal Deep Brain Stimulation for Parkinson's Disease**. Curesus Medical Journal; 02/2018; 10(2)., DOI:10.7759/curesus.2232 # First author
3. Mohamed a Imam, Ahmed Elgebaly, **Ahmed S Negida**, Amr Sami Hussein, Lukas Ernstbrunner, Saqib Javed, Joshua Jacob, Paul Trikha, Mark Churchill, Kevin Newman, David Elliott, Arshad Khaleel: **Titanium elastic nails versus Spica cast in pediatric femoral shaft fractures: A Systematic Review and Meta-analysis of 1012 patients**.
